

SAKIR YAVUZ
FOUNDER AND PRESIDENT

ATAFOM University International - **AT**lantic **AF**rican **O**riental **M**ulticultural - is a new International University founded by the initiator, **F**ounder and **P**resident of ATAFOM University International, Sakir Yavuz, with the aim of creating a worldwide and cosmopolitan University to improve the educational offer for the world as a whole.

His motto, "THE SUCCESS OF EVERY ACTION BEGINS IN THE HEAD" helped him pave a way to create a university offering an inclusive education. He is firmly convinced that the children of this world with different cultural backgrounds and countries of origin as well as languages should have the same right to education and hence his establishment of the ATAFOM Language Academy (ALA) to provide youth with world languages in order to have greater academic achievements, cognitive development and effectively function in the modern global marketplace. The ATAFOM Language Academy was established to break all language barriers hindering equal access to high quality education. Currently, ATAFOM University International is able to host students from 17 different countries with different native languages. The robust language training at ALA has made it possible to unite all those students for a world class education offered 100% in English language.

Language qualification at the ALA for studying in English at ATAFOM University International

<https://ATAFOMALA.university/>

The ATAFOM Language Academy - ALA, was further expanded to ensure the necessary language training for all prospective students, creating an opportunity for applicants who do not have sufficient and prerequisite English skills to be able to take up a Bachelor's degree at ATAFOM University International in English.

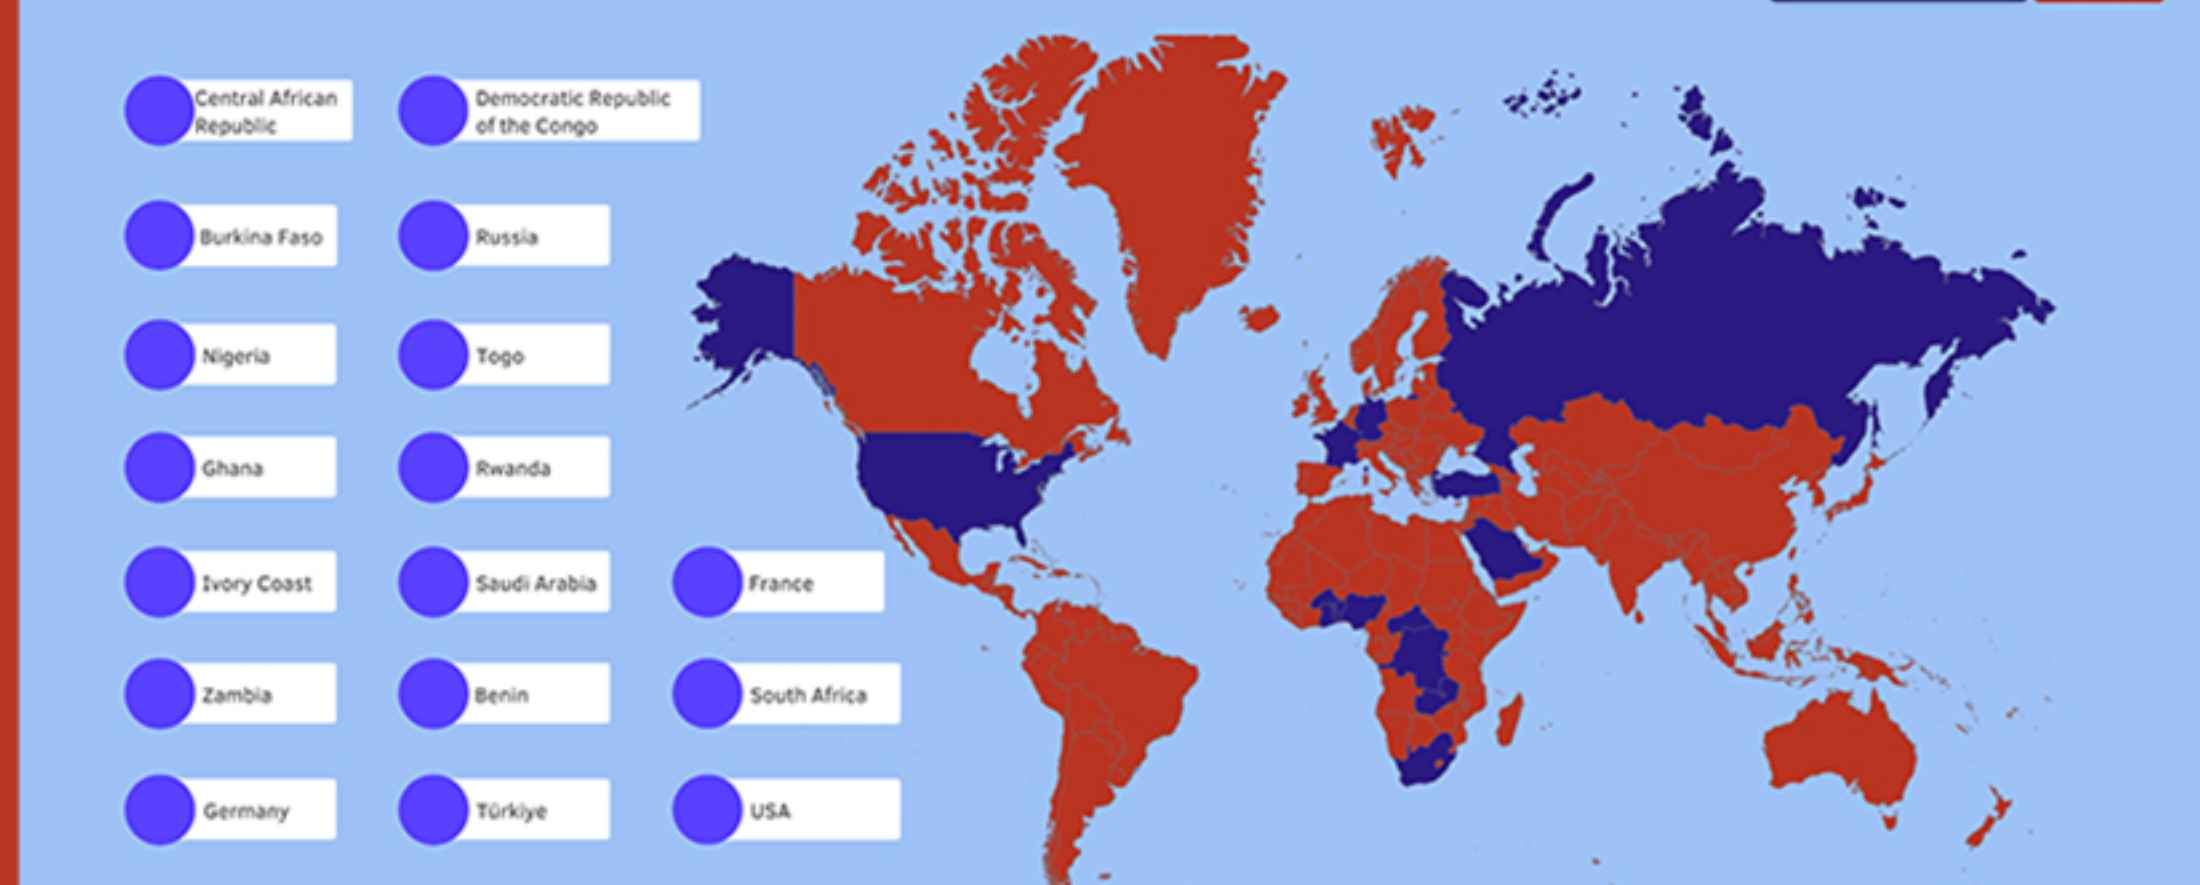

At ATAFOM Language Academy (ALA), "Education for Integration" is developed, taught and lived. The team of internationally renowned professional teachers and experienced staff at ALA ensure that highest international standards are met and they work relentlessly to exceed all their students' expectations and educational goals as they embark in their English language training. The teaching and learning programs meet all international requirements of the Common European Framework of Reference for Languages (CEFR) - "The Common European Framework of Reference for Languages - Learning, Teaching, Assessment", Council of Europe, 2001. The language training at ALA is equivalent to International standards such as IELTS, TOEFL and Cambridge.

The necessary language qualification in English at language level B2 is achieved in a total of two semesters in the language online courses ALA-A1, ALA-A2, ALA-B1 and ALA-B2, so that after certified completion of this English education, these students successfully attend the Bachelor's degree programme of their choice - in English,
- understand the content of the study courses,
- pass the final module examinations and also
- be internationally successful in professional development.

The integrated language certifications ALC-A1, ALC-A2, ALC-B1 and ALC-B2 are integral parts of the language training at the ATAFOM Language Academy and the first language-certified English training courses were successfully carried out as part of the Pilot Academic Year 2021/22.

These students with the successful completion of the English training in Pilot Academic Year 2021/2022 have now been accepted into the bachelor's program of their choice in the Academic Year 2022/2023. Currently, ATAFOM University International is able to host students from 17 different countries with different native languages. The robust language training at ALA has made it possible to unite all those students for a world class education offered 100% in English language.
